

## L'ANGOLO DELLA BIBLIOTECA

**Questa è la recensione di Hayley Wills del film "Angela"**

Angela is based on a true story and is about a Bella Donna named Angela who is married to a drug trafficker/mafia boss named Saro. The cover for the drug dealing is a shoe shop where Angela works and often delivers drugs to local customers (hidden in the shoes).

Despite living in luxury and having many beautiful things Angela seems unhappy and would like to make a change. She tries to explain this to her husband but he is not interested in changing anything at this time. A good looking young man named Masino starts working for Saro and when he meets Angela there is a mutual attraction. Eventually Angela succumbs to temptation and begins an affair with Masino. After the police raid the shoe store and they are all sent to jail Saro finds out about his wife's affair and is devastated. When she is eventually released from jail she still longs for Masino and they meet up again. She wants to run away with him to start a new life but does she?

You'll have to borrow it and find out! The Video can be found in the Library with the Call Number: A/V ANG 2002
